TELECOMMUNICATIONS
MASTER PERMIT
Application

TUM - _____ _____ RCVD BY	DATE STAMP
--	------------

APPLICATION FEE: \$5,550.00

Note: Applicants may attach additional pages to further explain the answers below. The City of Tumwater reserves the right to ask additional questions on a case by case basis. If you have questions related to this Telecommunications Master Permit Application, please contact the City of Tumwater Public Works Department.

APPLICANT: _____ **Email:** _____

Applicant's Telephone(s): _____

Applicant's Mailing Address: _____

Are you serving as an agent for the below named telecommunications carrier? If yes, attach proof of agency: NO YES

APPLICANT TELECOMMUNICATIONS CARRIER: _____

Telephone(s): _____

Mailing Address: _____

City Business License Number: _____

Please note: All telecommunications carriers and telecommunications providers engaged in business of transmitting, supplying, or furnishing of telecommunications service of any kind originating or terminating in the City of Tumwater shall apply and obtain a Business License from the City of Tumwater, pursuant to Chapter 5.04 and Section 11.02.030 of the Tumwater Municipal Code.

PROPERTY & FACILITY INFORMATION

Is this application for:

New Telecommunications Master Permit? NO YES

Installation of small cell facilities? NO YES

Renewal/Amendment to existing Telecommunications Master Permit? NO YES

If you are renewing/amending an existing Telecommunications Master Permit, has your permit expired? NO YES

If not, current expiration date of your Telecommunications Master Permit? _____

Location and description of proposed site(s) or route(s) of facilities: _____

Describe the telecommunications facilities and/or other equipment (including personal wireless services and wireless communications facilities) proposed to be located within subject right-of-way. Include a map of ground-based facilities and aerial facilities and provide a summary of which facilities will be installed on new versus existing structures. Provide a map of the area to be covered by the Telecommunications Master Permit and include specific locations of initial build-out and, if known, proposed future build-out locations.

If the proposed facilities and/or other equipment are to be installed on poles, does the applicant have pole attachment agreements with existing pole owners? Is the applicant requesting to locate on City-owned poles? *Note: if the applicant requests usage of a City-owned pole, it will need to enter into a separate lease agreement with the City.*

What alternate routes and/or locations for the proposed facilities have been evaluated? Explain why this site is the best alternative.

Describe your site access policies.

Describe the transmission medium that will be used to provide telecommunications.

Describe the areas of the City that are anticipated to be served. What is the expected build-out schedule for these areas? If the City is already built out, describe if there are any expected construction projects.

Indicate what licenses, certificates, and authorizations are required from the Federal Communications Commission, the Washington Utilities and Transportation Commission and any other federal or state agency with jurisdiction over the proposed activities. Have all such licenses, certificates and authorization been obtained?

Describe in detail the services that you expect to provide within the City, including whether the provision of services will be to commercial and/or residential customers. Information to be sufficient to determine whether such service is subject to cable franchising.

I certify that the information and any attachment herewithin submitted are true and correct to the best of my knowledge, that I have the authority to file this application and act on behalf of the above-named telecommunications provider or carrier, and agree to comply with all applicable provisions of the Tumwater Municipal Code and any regulations promulgated thereunder, including without limitation, to remove and relocate any facilities, at no cost to the City, when in the City's determination, relocation is required to accommodate a public project.
