

# Operations & Maintenance Facility

*Updates to the plans based on the feedback received during the 2018 Open House*

---

30% reduction in vehicle trips

Traffic improvements at 79th Ave & Old Highway 99

- Noise-limiting strategies
- Anti-idling policy
- Pull-thru facility
- Landscape buffers

Completion of sidewalk on the south side of 79th Ave for safe travel to Old Highway 99

- All-electric facility (no gas)
- Installing solar panels
- Shifting to an all "green" vehicle fleet

Reduced staffing and building sizes

Covered parking and enclosed storage for aesthetics

*O&M Facility, Neighborhood Park, and the roundabout at 79th Ave and Old Highway 99, will be concurrent projects rather than sequential as originally planned.*
