19.04.04: Step 3. Any grievance involving the interpretation or application of this Agreement, which is not resolved in accordance with the foregoing procedure, may be referred to arbitration within sixty (60) calendar days after receipt of the City Administrator's answer in step 2. The arbitrator shall be a member of the American Arbitration Association (AAA), Federal Mediation Conciliation Service (FMCS), or PERC and shall be selected as follows: If the parties have not appointed an arbitrator from the panel provided by the AAA, FMCS or PERC, the arbitrator shall be appointed in the following manner: The AAA shall submit simultaneously to each party an identical list of names of persons chosen from the Panel of Labor Arbitrators. Each

party shall have ten (10) days from the mailing date in which to strike any name to which it objects, number the remaining names to indicate the order of preference, and return the list to the AAA.

If a party does not return the list within the time specified, all persons named therein shall be deemed acceptable.

From among the persons who have been approved on both lists, and in accordance with the designated order of mutual preference, the AAA shall invite the acceptance of an arbitrator to serve. If the parties fail to agree upon any of the persons named, if those named decline or are unable to act, or if for any other reason the appointment cannot be made from the submitted lists, the administrator shall have the power to make the appointment from among other members of the panel without the submission of any additional list.

The cost of arbitration shall be borne 1/2 by the Employer and 1/2 by the Union.

Upon receipt of a written request for arbitration, the City and the Union shall attempt to prepare a submission to be signed by the Union and the City setting forth the issues in dispute. If the City and the Union cannot agree upon the submission for arbitration, each party, at least ten (10) days in advance of the hearing, shall submit to the other a statement of the issues it considers in dispute. The arbitrator or arbitrators shall determine, at or before the hearing, the issue or issues to be arbitrated. All issues in dispute must be arbitrable under the terms of this agreement. Such questions of arbitrability must be ruled on by the arbitrator prior to hearing the issues of the case provided they are found to be arbitrable.

The arbitrator shall have no right to amend, modify, ignore, add to, or subtract from the provisions of this agreement. He/she shall consider and decide only the specific issue submitted to him/her in writing by the City and the Union, and shall have no authority to make a decision on any other issue not submitted to him/her. The arbitrator shall submit his/her decision in writing within thirty (30) days following the close of the hearing or the submission of briefs by the parties, unless the parties agree to an extension. The

arbitrator's decision shall be based solely upon his/her interpretation of the meaning or application of the express terms of this agreement to the facts of the grievance presented. The decision of the arbitrator shall be final and binding, provided that the decision does not exceed the arbitrator's authority as granted in this Article. Each party shall be responsible for compensating its own representatives and witnesses.

- 19.06: Neither the arbitrator nor any other person or persons involved in the grievance procedure shall have the power to negotiate new agreements or to change any of the present provisions of this Agreement.
- 19.07: None of the foregoing is intended to mean that the Union cannot lodge a grievance and process the same through the various steps to arbitration in accordance with, and subject to, provisions thereof. The right of the Union to so lodge and process a grievance is confirmed and an employee may be represented at any stage of the grievance procedure by the Union.
- 19.08: No settlement of a grievance with any employee shall be contrary to the terms of this Agreement.
- 19.09: Optional Venue for Hearing Disciplinary/Discharge Grievances. The choice between a hearing before the Commission and arbitration must be made by the employee, in writing, within the timelines established in the civil service rules. The decision to seek arbitration in lieu of a hearing before the Commission is irrevocable and exclusive. In no case will a disciplinary matter be subject to both a public hearing before the Commission and arbitration.
- 19.10: The grievance procedure provided in this article and the option of a hearing before the civil service commission on matters of discipline or discharge shall be exclusive and shall replace any other grievance procedure for adjustment of any disputes arising from the application and interpretation of this agreement.
